Adelaide happy to see junk in the river

By Yahoo!7 News

The River Torrens is not known for huge amounts of rubbish floating along the Adelaide waterway, so the appearance of a huge piece of junk should come as a surprise.

From 8am tomorrow, riggers will begin work on rebuilding a 37ft traditional Chinese junk boat that travelled overland from Sydney over two days.

The boat, known as Suzy Wong, is in South Australia for the Adelaide Bank Festival of Arts, running from February 29 to March 16.

The junk, which has been in Australia since the late 1950s, is part of a multimedia installation called Junk Theory, when images will be projected on its sails.
